逍遙津

At Wharf Xiao Yao

漢獻帝劉協因曹操權勢日重，與伏后計議，派內侍穆順給后父送去血詔，囑約孫權、劉備為外應，以除曹。曹操由穆順的髮髻中搜出密書，帶劍入宮，亂棒打死伏后，並殺伏后之二子及穆順全家。獻帝圖強之夢自此告終。

Emperor Xian of Han, born Liu Xie, grew anxious as Cao Cao's power increased. In secret, he and Empress Fu plotted to eliminate Cao. The Emperor sent an edict through their eunuch, Mu Shun, to the Empress's father, asking him to form an alliance with Sun Quan and Liu Bei.

However, Cao Cao discovered the secret letter hidden in Mu Shun's hair. Furious, he stormed into the palace with a sword, beat Empress Fu to death, and ordered the execution of her two sons and Mu Shun's entire family. From that moment on, Emperor Xian's hopes of battling Cao Cao came to a tragic end.

Cao Cao's favorite general Zhang Liao defeated Sun Quan at Xiao-Yao Ford and later faced him again at Ru-Xu Fort. Sun Quan's officer Ling Tong attacked Cao with 3,000 soldiers but failed.
