楊排風

Yang Pai-Feng

楊排風原為天波府的燒火丫鬟，因宋、遼交戰，宗保被韓昌所擒，排風挺身而出，卻遭將士質疑，校場之上，她以一根燒火棍大顯身手，與孟良、焦贊比武，終獲信服，再迎韓昌，救回宗保，立下大功。

Yang Pai-Feng, a humble kitchen maid of the Yang household, rose to become a heroine unexpectedly. In the war between Song and Liao, General Yang Zong-Bao of Song was captured by Han Chang. Yang Pai-Feng volunteered to go to his rescue, but the Song generals doubted her ability. She demonstrated her strength on the training ground, wielding nothing more than a firewood staff as she defeated seasoned warriors Meng Liang and Jiao Zan. Having won the generals' trust, she went on to confront Han Chang and succeeded in rescuing Yang Zong-Bao.
